RE: Parrish Street Ext. Lot Line Revision

Dear Eric:

We represent three property owners on Parrish Street Extension. The intent of the survey is to divide a 3.861 Acre parcel on the north side of Parrish Street Exten. and annex a portion of this parcel onto the property owner to the east side and the property owner to the west side. The 3.861 Acres is a portion of a larger parcel that consists of approx. 125 +/- Acres. (TM# 97.00-2-2) located on the north and south side of Parrish Street Exten. The 3.861 Acres is located between TM# 97.00-1-48.31 (5234 Parrish St. Exten.) and TM# 97.00-2-1 (5266 Parrish St. Exten.)

We are requesting a waiver of the requirement to show "All existing property lines, with bearings and distances, including the subject (parent) parcel, Tax map number". We will add a note to the plan regarding approximate road frontage of the remaining parent parcel and the approximate remaining area.

We appreciate your review of the project. Please contact me with any questions.

Sincerely

Anthony Venezia, LS
