Project Notification Sign

Instructions To The Applicant

CPN# 090 -- 22

After the sign is picked up, the property owner/applicant is required to do the following:

1. Posting the sign must occur no later than the Friday after the sign was picked up in the Town Development Office. ***(Failure to post the sign may result in delayed approval of your application.)***
2. You must install the sign in an open area that is 15 – 20 feet from the road and maintain it in an upright position to be read from the road.
3. The sign must be left in this location throughout the duration of your application process.
4. The *Project Notification Sign* shall be removed by you after you have received a decision sheet from the acting board(s).

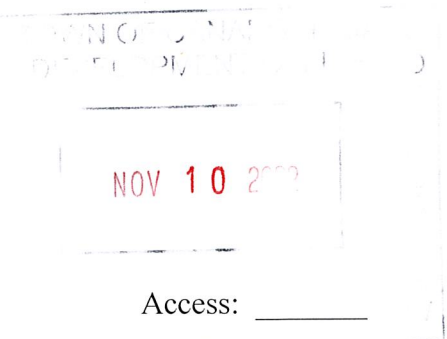

I, the property owner/applicant, understand and will follow the above criteria until my application process is complete.
