Hi Michelle,

The Canandaigua Lake Sewer District has the following comment for the following application.

- CPN-21-028 – Permit Required for connection along with plan review.
- CPN-21-029 - Permit Required for connection along with plan review.
- CPN-21-030 - Permit Required for connection along with plan review. Pretreatment units will be required for this type of facility and a bypass pumping plan will also be required.

Thanks,
Don
