22-028

6. What is your proposed new project and the variance(s) or interpretation requested?

tear out existing asphalt and replace with porous asphalt  
with underground storage

7. Have the necessary building permit applications been included with this form? If not, please verify with the Development Office which forms are required to be submitted.
8. With your completed application for an Area Variance, attach a tape map/survey/site plan, elevation of the proposed structure, and other documentation necessary describing the requested variance(s) illustrating why it is practically difficult for you to conform to the Zoning Law.

All maps, surveys, or site plans shall accurately depict the property including all existing and proposed structures, setbacks, and dimensions. *All dimensions must be precise.*

9. With your completed application for a Use Variance, attach a current survey map/site plan of the subject parcel with a detailed description of the proposed use, a statement as to why you feel this use variance is necessary, and a completed Environmental Assessment Form.
10. With your completed application for an Interpretation, attach a current survey map/site plan of the subject parcel with a detailed description of the proposed use, a statement as to why you are appealing the zoning law determination, and a copy of the zoning law determination of which said appeal is requested.
11. If the variance requested is related to signs, attach a Sign Detail Sheet, a site plan, and colored renderings of the proposed signage, and any other documentation required in Article IX (Sign Regulations) of the Town of Canandaigua Zoning Law.

*I have examined this application and declare that it is true, correct, and complete. I understand that my application and all supporting documentation will be examined by the Zoning Board of Appeals as an integral component of deliberations.*

***I hereby grant my designee permission to represent me during the application process.***

***Property Owner is responsible for any consultant fees  
(Town Engineer, Town Attorney, etc.) incurred during the application process.***

---

Please note that the **Property Owner** is responsible for all consultant fees during the review of this application including legal, engineering, or other outside consultants. Applications submitted to the Town of Canandaigua Planning Board will normally receive chargeback fees of at least five hours to ten hours for planning services including intake, project review, resolution preparation, SEQR, and findings of fact. PLEASE NOTE that the number of hours will be SIGNIFICANTLY INCREASED due to incomplete applications, plans lacking detail, or repeated continuations. Subdivision applications and larger commercial or industrial projects traditionally require more hours of engineering, legal, and other consultant review and preparation and will incur higher costs. Applications for new construction may be referred to the Town Engineer for engineering review which may include at least an additional eight to twelve hours of review time. The **Property Owner** will also be responsible for legal fees for applications submitted to the Town of Canandaigua Planning Board, Zoning Board of Appeals, or the Town of Canandaigua Development Office. Fees for engineering and legal expenses traditionally range between one hundred and one hundred fifty dollars per hour. A copy of the Town's annual fee schedule is available upon request from the Development Office or the Town Clerk's Office. The **Property Owner's** signature below indicates that the **Property Owner** understands that the **Property Owner** will be responsible for all outside consultant fees incurred as a result of the submitted application, and consents to these charges. Additionally projects approved by the Town of Canandaigua Planning Board may be required to pay a parks and recreation fee as established by the Town Board (currently \$ 1,000 per unit) if required as part of the conditions of approval.
