Please note that the **Property Owner** is responsible for all consultant fees during the review of this application including legal, engineering, or other outside consultants. Applications submitted to the Town of Canandaigua Planning Board will normally receive chargeback fees of at least five hours to ten hours for planning services including intake, project review, resolution preparation, SEQR, and findings of fact. PLEASE NOTE that the number of hours will be SIGNIFICANTLY INCREASED due to incomplete applications, plans lacking detail, or repeated continuations. Subdivision applications and larger commercial or industrial projects traditionally require more hours of engineering, legal, and other consultant review and preparation and will incur higher costs. Applications for new construction may be referred to the Town Engineer for engineering review which may include at least an additional eight to twelve hours of review time. The **Property Owner** will also be responsible for legal fees for applications submitted to the Town of Canandaigua Planning Board, Zoning Board of Appeals, or the Town of Canandaigua Development Office. Fees for engineering and legal expenses traditionally range between one hundred and one hundred fifty dollars per hour. A copy of the Town's annual fee schedule is available upon request from the Development Office or the Town Clerk's Office. The **Property Owner's** signature below indicates that the **Property Owner** understands that the **Property Owner** will be responsible for all outside consultant fees incurred as a result of the submitted application, and consents to these charges. Additionally projects approved by the Town of Canandaigua Planning Board may be required to pay a parks and recreation fee as established by the Town Board (currently \$ 1,000 per unit) if required as part of the conditions of approval.
