

EmPower and Assisted Home Performance with ENERGY STAR® programs cover energy efficient upgrades. We try to keep abreast of local programs that can help with roofs, windows, and siding. Sometimes there are grants available for these things. PathStone also offers a Revolving Loan Fund that can help those with less than perfect credit histories obtain a loan to help renovate their home.

- PathStone Revolving Loan Fund:
- Loan amounts of \$1000- \$15,000
  - 5 year term
  - 4 or 8% interest rate depending on work scope
  - Building must be occupied by homeowner
  - Construction management fees apply.

## Residential Home Energy Improvement Programs

Get ready for Winter today!

Each year, New York State homeowners waste hundreds of dollars in energy. Many feel powerless in the face of high energy bills and are unaware of what they can do to control these costs. The Assisted Home Performance with ENERGY STAR® program makes it easy and affordable to make the smart investment in a more energy-efficient home.

It's easy to lower your energy bills and make your home more comfortable with the Assisted Home Performance with ENERGY STAR® program:

1. Get a home energy assessment to pinpoint where energy and dollars are being wasted.
2. Apply for discount covering up to 50% of the cost of eligible energy efficiency improvements.
3. Customize a plan to lower your energy bills.
4. Take advantage of low-interest loans to help pay for the rest of the work.

### EmPower New York

EmPower New York provides no-cost energy efficiency solutions to income-eligible New Yorkers. Nearly 100,000 of your neighbors are saving energy and saving money with EmPower New York — without spending a dime. Whether you own your home or rent, a participating contractor assesses if your home would benefit from free energy upgrades such as:

- Air sealing to plug leaks and reduce drafts
- Insulation to make your home more comfortable all year round
- Replacement of inefficient refrigerators and freezers
- New energy-efficient lighting

Plus, free health and safety checks of your smoke detectors, appliances and more.

Make your home more comfortable and energy efficient! Use the chart below to see which program you may qualify for.
