- **Town Clerk, Jean Chrisman attended the meeting to discuss the committee's recommendation of fundraising groups using town parks for their events. Should the town allow all groups access to the town parks for their fundraising events? After a lengthy discussion it is the committee's recommendation to the town board that all groups regardless of affiliation be allowed to use the town parks if they meet the conditions/guidelines as set by the town board.**

The committee also agreed that 2 weeks' notice of cancelation should stand in order to receive a refund vs a 30-day notice. Additionally, the committee agreed that Town of Canandaigua employees who are not Town of Canandaigua residents be allowed to access the parks at the same cost as a resident.

- **Douglas McCord reviewed the P&M master plan and will forward revisions to the committee in the next few days.**
- **Dennis provided his report.**
