Required Paperwork for Application Submittal

Single-Stage Subdivision Review

When applying for ***Single-Stage (Preliminary/Final) Subdivision Approval***, you shall submit:

- A subdivision plat in compliance with the “Single-Stage Review – Preliminary/Final Subdivision Checklist” (attached to the application packet)
- A completed Planning Board application for “Single-Stage Review Subdivision Approval Planning Board” application (this form must be signed by a property owner)
- Permit applications, as required, if there is proposed development of the site. If buildings are being proposed, the elevation drawings must note the height from the average finished grade.
- A Soil Erosion and Sediment Control Permit Application (attached to application packet)
- An Agricultural Data Statement (attached to application packet)

You must submit all original application forms, one print of the subdivision plat(s), and one copy of the elevation drawings. Additional copies will be requested at a later date.

Fees:

1. The Planning Board application fee is \$250 plus \$50 for each lot and shall be paid at the time the application is submitted to the Town Development Office. This fee is non-refundable.
2. The property owner is responsible for the reimbursement of any consultant fees incurred during the application review process.
3. The required building/development permits (which are subject to additional costs) shall be obtained from the Town Code Enforcement Officer *after* the Planning Board chairperson has signed the final subdivision plat, the required surety has been accepted by the Town Board, and prior to commencing any development on the subject property.

A. The final subdivision plat shall be clearly marked as final and shall show thereon or be accompanied by:			
(1) All information provided on the approved preliminary plat as well as any improvements, modifications and additional information required as part of the preliminary approval;			
(2) The names of developments and proposed streets. The Planning Board shall have the right to name new developments and streets in accordance with historic characteristics of the community and the Ontario County 911 addressing policy.			
(3) which have first been approved by the Planning Board and Ontario County 911 Center;			

Chapter 174 § 174-14 (Final Plat Checklist)	Shown on Plat by Applicant	Initial PRC Review	PRC Follow Up Review
(4) Detailed sizing and final material specification of all required improvements;			
(5) Permanent reference monuments as required by any proper authority;			
(6) A detailed plan identifying all lands, easements, and rights-of-way which shall be commonly owned with the identification of the association responsible for said ownership and method of managing the commonly owned properties.			
(7) Copies of other proposed easements deed restrictions and other encumbrances.			
(8) Protective covenants, if any, in a form acceptable for recording;			
(9) Cost estimates for improvements where surety may be required by the Planning Board including but not limited to: landscaping and storm water and erosion control measures. Refer to § 174-32 of this Chapter;			
(10) The owner shall tender offers of cession, in a form certified as satisfactory by the Town Board Attorney, of all land included in streets, highways or parks not specifically reserved by the owner. Although such tender may be irrevocable, approval of the site plan by the Planning Board shall not constitute an acceptance by the Town of the dedication or gift of any street, highway or park or other open public areas. A dedication or gift of any such improvements may only be accepted by resolution of the Town Board.			

I have reviewed my submitted application and drawings against the above noted criteria and hereby certify that the submitted application matches this completed checklist.
